MUSIC TOURS

Because the music program in the Campbell Area is performance based, the music tours are an integral curricular component of the program, and provide a necessary extended performance opportunity. The Campbell Music Department is committed to carefully planning tours that offer excellent educational value while making every effort to keep costs as low as possible. The music tours are always a wonderful experience for all involved. Our students consistently represent themselves extremely well, as good-will ambassadors for Campbell, Regina and Saskatchewan.

ATTENDANCE

Please remember that **Choral 10/20/30 is a class**. As with other courses, you must not miss this class to catch up on work for another class. It is your responsibility as a music student to inform Mr. and Mrs. Baird in advance if you are going to be late or absent for any reason. Please note that if you sick and still at school, you need to be at rehearsal. Thank you to everyone for your understanding of this as absences do affect both personal and ensemble growth.
