SEPTEMBER 2020!

Welcome Back and a special welcome music parents and students new to Campbell this year! We look forward to providing your children with a wide variety of musical experiences and opportunities for musical and personal growth during the upcoming year! This package contains important information about the **Campbell Collegiate Music Program** along with some very important attachments.

IMPORTANT – Band/Choir @ Campbell

Music classes are now scheduled within the student's quint system timetable. To ensure that your student is registered for their music choice, contact your student's CAP teacher to review their timetable. Students may not have been automatically registered for band or choir classes.

CAMPA AGM – TUESDAY, SEPTEMBER 15 – 7:30PM!

We extend a special invitation to **ALL CAMPBELL MUSIC FAMILIES** to attend the **Campbell Area Music Parents Association Annual General Meeting / Music Information Meeting on September 15!** This will be a great opportunity for you to meet our teachers and gain more insight into the program your child is involved in. At the AGM, we will be electing our 2020-2021 CAMPA Board of Directors and presenting a brief financial report for the year ended July 31, 2020. Without the support of our music parents through CAMPA, we would be unable to continue to provide the many outstanding musical opportunities available to Campbell music students. This year's meeting will be virtual, via ZOOM meeting.

Please visit the CAMPA [Facebook web site](#) on Sept 15th to find instructions on connecting to the ZOOM call.

ELEMENTARY BAND NEWS!

We are very excited to see students and begin the Elementary Band 2020-21 school year. This year will look a little different than past years, this includes introducing SmartMusic to our elementary band students and working in school based cohorts. We are excited to introduce these changes and are looking to sharing this program with students.

Below you will find what we know as of now. Please understand that all guidelines are with respect to our Divisional Guidelines along with the Provincial Health guidelines. If any of these guidelines change, we will need to adjust our plan for elementary band programming to fit within these guidelines. Parents should have seen our band information flyer. If you have not, please let the elementary teachers know so that we can send one to you (email addresses at the bottom of the page).

Important things to note:

1. Band will have a delayed re-entry. Grade 7 and 8 students will begin the week of **October 5** with instruments. Grade 6 students will begin the week of Oct. 5 without instruments. Grade 6's will add instruments after their first couple of classes. Students will have band only at their home school and in school based cohorts. **Please note this means our Gr. 6 headstart clinics will **not** occur in September. Instead we will work with Grade 6 students in their small group school based cohorts to get students started on their instruments.*
2. For families that are choosing to do Regina Public e-learning we will be able to offer band online. Once we know how many students this involves we will be better able to provide you with more information. (It is helpful if you let us know if you are planning on doing e-learning.)
3. We will be using SmartMusic as a digital platform to support both students who are in class and those who are online. (We will provide more information about this at a later date.)
4. If you did not register for band, your child is still most welcome to join us. To register, please email your child's band teacher. We will send you a link to register.

We are looking forward to a wonderful year of music making with your children.

HIGH SCHOOL MUSIC NEWS!

We look forward to another great year in the High School Music Program!

We wish a very warm welcome to our 2 new incoming music instructors. Each have provided a short “hello” to introduce themselves.

Ms. Jodi Scott

jodi.scott@rbe.sk.ca

Hi! My name is Jodi Scott, and I could not be more excited to be part of the Campbell Music team! After receiving my Music Education degree and starting my masters at Minot State University, I taught in North Dakota for 2 years. Since then, I have proudly taught music in Regina Public Schools for 20 years.

One of my favorite side gigs is performing with the Regina Jazz Orchestra. Recently, I returned from a year-long adventure in Europe, where I taught music at Internationella Engelska Skolan in Stockholm, Sweden. A highlight from the year was having the opportunity to sing with the amazing Swedish Tensta Gospel Choir.

I am delighted to be back on the prairies and feel so lucky to be part of the Campbell community. I can't wait to meet you all!

Ms. Cynthia Peyson Wahl

Hi Campbell Collegiate Music types!

I'm so excited to get to work with you in the fall! Some of you I know, and some of you will be new to me, so I wanted to take a moment to introduce myself to you. I'm originally from Regina – I went to Sheldon Williams Collegiate, and, like all of you, was a music nerd in high school. I played in band (flute) and jazz band (keys), and sang in choir and vocal jazz. I also played flute and percussion in the Lions Band for several years. I went on to do my Bachelor of Music Education (Theatre minor) at the University of Regina, and did both my pre-internship and my final student teaching at – you guessed it – Campbell Collegiate! I was a flute major, so I did my practicum in band, but got a chance to hang out with the choirs, and work with the drama classes as well. It was an amazing experience, so coming to Campbell in the fall feels like coming home!

After I finished my degree, I went to Grant MacEwan University in Edmonton, Alberta, to do an after degree in jazz voice, as I really wanted to be the most competent music teacher I could be. When I finished there, I moved to Winnipeg, Manitoba, where I taught choir, vocal jazz, piano, and musical theatre at Daniel McIntyre Collegiate Institute for 15 years. Many of you had a chance to visit DMCI on your grade 10 tour or hosted us when we came through Regina on tours. I loved seeing my Winnipeg kids get a chance to know you, and vice versa! While at DMCI, I twice moved to Toronto to pursue graduate studies at the University of Toronto, where I got my M.A. in Music Education, and completed the course work for my PhD in Music Education. I returned to DMCI in 2018, and although I loved it there, home was calling, so last year I returned to Regina, and now I'm coming to Campbell!

My favourite thing about teaching is getting to make connections with you, my students, and watching you grow as people and musicians through your four years in high school. I dearly love it when I see a kid find their community in the music room(s), and I hope to provide you all with a safe and caring space to make music together and make lifelong friendships. I can't wait to meet you all in September!

FUNDRAISING OPPORTUNITIES

TRIP REWARD POINTS

As members of the Campbell Music Program, every family has the opportunity to earn **Trip Reward Points (TRPs)** to offset individual costs for music tours. Please see "CAMPA TRPs - Frequently Asked Questions" on campa.ca under "Fundraising" for details. CAMPA Bingos are an excellent way to earn TRPs for your family, while at the same time raising much needed funds to support the Campbell Music Program. CAMPA will credit your family's TRP account with 50 TRPs (which equates to \$50 towards your tour fees) for each family member who works at one of our designated bingos. If you would like to be involved in these bingos, please contact the CAMPA Bingo Coordinator Maureen Pennington at maupennington@gmail.com. All bingos are held at Centennial Bingo - 2311 2nd Avenue. Upcoming bingo dates and more information can be found on the campa.ca website under "Fundraising".

GROUP FUNDRAISERS: CAMPA also has a number of group fundraisers that raise funds to benefit **all** students in the Campbell music program. **Please watch for more information by email and check the campa.ca Fundraising page for updates on these and other fundraising opportunities.**

CORPORATE SPONSORSHIP OPPORTUNITIES

CAMPA invites the corporate community to receive public recognition for providing financial support to the music program. We offer local businesses the opportunity to sponsor one or more of our many public music concerts and in return, to receive recognition on all publicity material, including programs and the CAMPA website. Please see the CAMPA Sponsorship Overview document on the campa.ca website, or contact admin@campa.ca for additional information.

Thank you for your ongoing support of the Campbell Music Program!
