Membership in the Campbell Senior Music Ensembles is a privilege, providing the opportunity to make wonderful music with a group of like-minded musicians and participate in outstanding educational experiences. As a member, you must accept responsibility for the growth and success of the entire group as we strive for musical excellence together.

To ensure our music tours are as successful as possible, ALL students who are planning to go on the tour must agree to adhere to the following expectations.

**ATTENDANCE**

It is your responsibility as a senior music student to inform Ms. Scott or Mr. Wilkinson prior to class if you are going to be late or absent for any reason. **If you have more than two unexcused absences from class**, you may not be allowed to participate in the tour, and your refundable payments will be returned immediately.

**INSTRUMENT CARE and PRACTICE**

It is critical that all Campbell band students take responsibility for the safe storage and transport of their instruments to and from school. Individual practicing is essential to your growth as a musician as well as the quality of the ensemble.

**SECTIONALS**

Each ensemble will hold sectionals throughout the year as needed. It is very important that all members of a section be at the section rehearsals if they are to be successful. Section Leaders will take attendance at all sectionals.

**I have read the above expectations for participation in this tour. I will adhere to the above expectations. I understand that failure to adhere to the above expectations may result in my removal from the tour.**
